Mrs. Burley,  
As senior to  
teacher, I'd like to say  
that I have thoroughly enjoyed  
studying under you. I feel that you  
have taught me a great deal. (maybe  
I didn't learn it all.)  
I don't know what we would have done without  
you. I'm sure that it was your encouragement that  
got us through our play, annual, trip, etc. Thanks!  
As friend to friend - I'll miss you after graduation,  
but shall never forget you. I do hope that your memories  
bring back memories, don't we. I'm sure we'll be seeing each  
other after graduation. So the best of luck to you.  
Sincerely,  
Rabbie

SCHOOL SONG

There's a dear old school Nahunta  
To us it is a dear one  
Where our love and truth and  
friendship  
Will never never die  
Where the people are so friendly  
Our thoughts go back there daily  
To the school we love so dearly  
As we work there day by day.

Chorus:

Where the dogwood trees are blooming  
And the skies are always blue  
To our high school Alma Mater  
We will ever be so true.  
And the moment that we're near her  
With a joyous shout we'll greet her;  
For there's not a school can beat her  
For our hearts are strong and gay.

As old glory flies above her  
With her colors brightly gleaming  
There the folks are ever happy  
As the birds in sweet spring time  
Forget Nahunta? Never!  
Our school we'll cheer forever  
Her fame we'll always cherish  
As the years keep rolling on - -

"A grain of sand falls - a clock ticks - that bit of time will not come again. Gone are the all-too-brief hours which drew us closer at N. H. S. - industrious hours, experiencing, learning, growing; sleepy hours, brooding over a chemistry problem far into the night - agonizing hours, taking a stiff examination - giddy hours, chattering with the gang - exciting hours, cheering hoarsely for the Indians - fun filled hours, collecting memories. These hours have been trapped with the quickness of the camera's shutter - they will not tick on - they still hang suspended - they are Now."

# Principal's Message

Dear Seniors,  
I greet you  
as you enter this new  
phase of life with a chal-  
lenge for more creative en-  
deavors in the future, but more important  
for growth toward a greater capacity for service  
toward your fellow citizens, to your community  
and to people everywhere - the world over.  
The quality of any school is measured to  
a large extent by the spirit of its student body. We  
are proud of our school, proud of our faculty and other  
personnel, proud of our school's traditions, and above  
all, our student body.  
So to you, our graduating class of 1958, my  
congratulations.

## *History of the Senior Class of 1958*

Oh, boy! That long excited day in everyone's life had come, that September morning in 1946, when thirty-three students met together in Mrs. Dora Collier's first grade room. Some were small, some big, some afraid and others looking as if they were enjoying the new life at school. In spite of all these things we had a good year, with the first grade play as our most interesting high-light.

We started our second year with quite a racket, having Mrs. Leslie Rowe as our teacher. Then came the third grade with Mrs. Dixie Edmundson as our teacher. Mary Cobb Forbes joined us that year.

It would be wonderful if we could call back the fourth, fifth and sixth grades in which Miss Pipkin, Mrs. Louise Lewis and Mrs. Eva Wooten led us successfully. Robbie Taylor and Selby Boswell joined us in the fourth grade. In the fifth, we went with the seventh grade to Chapel Hill, where we visited the Planetarium and Museum. A little later that year with the loss of Margaret Peedin and Robert Davis and the addition of Lois Carter our group changed to thirty-one.

The class separated in the seventh grade with Mrs. Mozelle Gurley and Miss Rhoda Bone as our supervisors. Two students, Margie Barnes and Robert Edgerton, joined us that year.

Mr. George Spirtos led us through the struggle of learning to change classes in the eighth grade. This was Carolyn Fulghum's lucky year because she won the citizenship medal, presented by Nahunta Grange.

In the ninth grade we were very glad to have Miss Rhoda Bone as our teacher again. During that year Emmett Fail joined us.

We had a very prosperous year in the tenth grade with Mrs. Doris Gurley as our teacher. Through cooperative effort, we won the tobacco drive that year as well as our Junior and Senior years. For winning, we got a two-hour recess and refreshments. We also sold candy as our first money-raising venture.

We began an enjoyable Junior year with Mrs. Louise Wilkie. The year was filled with activities to raise money; selling stationery, candy and magazines. Our Junior play, "Good Gracious Grandma" was directed by Mrs. Wilkie. John Sullivan, a new comer, made an ideal Negro.

Fifteen students including Kay Evans, a transfer from Wilson, met together on September 7, 1957, all happy because we were beginning our Senior year, which was to be sponsored by Mrs. Doris Gurley. We began the year by presenting our Senior play, "Almost Summer." After the play, Kay Evans gave the class a party. An exciting time around school was when the Seniors received class rings. As the year progressed, we began preparing for our Washington trip in the spring, selling Christmas cards, and picking cotton as projects. As we leave, we can look back over our shoulders to see the success that the years have brought us. We now look forward into the future at the success that we feel sure will be ours.

CLASS POEM

The year '58 has come at last  
And soon we can look back to the past,  
On our school days at Nahunta High  
Where many happy days have gone by.

Whatever the task we've stood the test  
And always tried to do our best,  
So that we might achieve great success  
In things to make our lives happiest.

With our flower, the white carnation,  
To act as our inspiration,  
With colors of red and white  
To help us gain greater heights,

We'll ever be challenged to be pure and brave  
And never let our character be depraved,  
Our motto ever in our ears will ring  
"Be not simply good; be good for something."

Now we shall go our separate ways  
As into this new world we'll gaze,  
With fond memories that will linger near  
And to our hearts be so dear.

By Peggy Minshew

Robert Edgerton made an ideal grandma in our Junior Play, "Good Gracious, Grandma" presented in April, 1957. ## *Our Class Song*

(Tune - It's Almost Tomorrow)

My school days are ending; the future is near.  
The end will bring showers of sadness I fear.  
We'll love you forever 'til the end of time,  
Memories of school days will always be mine.  
It's almost tomorrow.  
Then school will be o'er; memories of  
Nahunta High will cling evermore.  
I'll love you forever,  
'Til days come no more.  
And cherish those memories that live evermore.

In spite of the Asiatic Flu epidemic  
we finally presented  
"ALMOST SUMMER"

# Prophecy

As I peer into the crystal ball, I see the future of the Senior Class of 1958.

I see that Lois and Dave Sutton own a beautiful farmhouse, and have two cute kids, Davey Jr. and Teresa Lois.

John Sullivan is still keeping up his farming ability, because he now owns a large farm, and spends all his time working there.

Who is that on that red and white convertible? Oh, yes, that was formerly Robbie Taylor, now Robbie McArthur, and a commercial teacher. She is bidding Mac, her husband, a goodbye, as she leaves for school.

I see that Robert Edgerton is now participating in sports car racing. Having won several races, he is still pushing for the top.

Kay Pittman has found a top spot with the Yankees. He now holds the highest batting average.

Edna Gurley is really rating. She has found her career in the Wac's. Take care of our boys, Edna.

I see that Kay Evans keeps herself occupied all the time by learning new ideas, now that she has become an interior decorator.

Peter Aycock has become the owner of a pet farm - raising rabbits.

I hear a click, click, click, off in the distance. Oh, yes, I see Vivian Holland is a typist for Nationwide Insurance Company.

Emmett Fail decided to find a job here, and stay around for awhile, since Lois hasn't graduated from school yet.

I see that Selby Boswell has decided to go to Virginia, to join his brother Julius, who has a job there in the shipyard.

Peggy Minshew and Margie Barnes have landed their men, and have a home in Kenly, N. C. They are both proud owners of a beauty salon.

Jimmy Mitchell is having success selling insurance. He is an agent for Pilot Life Insurance Company in Goldsboro, while his wife, Reba, keeps books for him.

To complete the class circle, I peer farther into the crystal ball and see that Carolyn Fulghum is private secretary to Howard Hughes of RKO studios in California, while her husband is completing his training in the Air Force.

The images in the crystal ball grow dim as the Seniors separate to take their places in the complex, scientific, and amusing age of "sputnik," "Rock and Roll," increased emphasis on math and science, and discussions locally on consolidation, and internationally still on world wide peace. May we do our part to help make this a world that glorifies the Prince of Peace.

## *Last Will and Testament Class of '58*

We, the members of the Senior Class of Nineteen Hundred and Fifty-eight, being of sound bodies but questioning the soundness of our minds, do hereby will and bequeath our various perfections and imperfections to the following:

To the faculty who love us so..... we leave nothing, for we gave all we had.

To the upcoming classes, we bequeath our determination to accomplish what we set our minds to do.

- I, Lois Sutton, do will and bequeath my ability to win a husband to Lois Edgerton, hoping she will be as fortunate as I.
- I, Carolyn Fulghum, do will my excess fat to Joyce Ricks.
- I, Edna Gurley, leave my ability to be a friend always to Judy Stuckey.
- I, Peggy Minshew, leave my stuffed notebook to Doris Parnell.
- I, Margie Barnes, do will and bequeath my quietness to all chatterboxes.
- I, Peter Aycock, leave my curly hair to Mr. Boykin and Mr. Foyles who need any type.
- I, Kay Evans, leave my flirty ways to Helen Lewis since she doesn't already have any.
- I, Robbie Taylor, do will and bequeath my intelligence and good grades to all those who are just plain dumb.
- I, Vivian Holland, do will and bequeath my height and neatness to Grace Gurley.
- I, Jimmy Mitchell, leave my cute remarks to Mrs. Louise Wilkie to use in years to come.
- I, Kay Pittman, do will my friendly smile and ability to have friends to Allen Aycock.
- I, Selby Boswell, know that the teachers think that I'm going to leave my big mouth to them but instead I'll take it with me.
- I, Emmett Fail, leave my ability to keep quiet and study to the eighth grade.
- I, Robert Edgerton, will and bequeath my happy-go-lucky ways to Vann Scott.
- I, John Sullivan, do hereby will and bequeath to Charles Sullivan my ability to stay in love and in school at the same time.

Lastly, we, the senior class of 1958, leave everybody who is coming up, whatever he needs that we have, so that he can get through this wonderful place and have as much fun as we have had.

LOIS SUTTON, Testator

# One to grow on . . .

Good health is our business. We take a deep personal pride in watching the growth and development of youngsters raised on Pine State's good, health-giving milk and dairy foods. We feel great

satisfaction in the knowledge that we contribute to the growth of the community as we do to the growth of its citizens.

We're proud of the fact that we're growing, too . . . that more and more families are asking for Pine State's pure, delicious milk, ice cream and other fine dairy foods.
